*Veronica Karaman is a fantastic speaker! As our kick-off speaker for our annual Women in Cable Telecommunications Conference held in Pinehurst this year, Veronica inspired and empowered our audience with her highly creative and engaging talk, 'Golf, Guts, and Being a Girl: Leadership Lessons Learned on My Way to the U.S. Open.' She integrated her journey through professional golf, champion mindsets from sports that relate to success in business and life, and our core values as an organization. I strongly recommend Veronica as your next keynote speaker. She will score a hole-in-one for your company or group!*
